

# Consent Form for Parents/Carers

## **The 'Buzzing about Bees: Exploring Active Storytelling for Transforming Children's Environmental Agency' Project**

This consent form will have been given to you with a project information sheet. Please make sure that you have read and understood the information contained in the project information sheet and asked any questions before you sign this form. If you have any questions please contact a member of the research team, whose details are in the project information sheet.

If you are happy for your child to take part in the workshop and associated research activities please sign and date the form. You will be given a copy to keep for your records.

- I have read and understood the information in the project information sheet which I have been given to read before asked to sign this form;
- I have read and understood the Data Protection Privacy Notice that has been provided to me;
- I have been given the opportunity to ask questions about the study;
- I have had my questions answered satisfactorily by the research team;
- I agree that anonymised quotes taken from the survey and group discussions may be used in the final Report of this study;
- I agree that anonymised quotes taken from the survey and group discussions may be used in other research outputs from the study (such as academic papers or conference presentations);
- I understand that the anonymised survey data and transcript from the group discussion will be deposited in a research repository, meaning that the anonymised data will form part of a re-usable, published dataset;
- I understand that my child's participation is voluntary and that I am free to withdraw their participation in the group discussion at any time prior to the workshop date without giving a reason;
- I understand that my child's participation is voluntary and that I am free to withdraw their participation in the survey until the data has been anonymised, without giving a reason;
- My child has/children have verbally agreed that they are happy to take part in the research;
- I agree for my child/children take part in the research
